

# Meet the TEACHER

## Mrs. Martin

### Welcome to First Grade!

This year in First Grade is going to be great! We will have fun while we learn lots of new things!

Instead of being in the classroom together, we will see each other over the computer. I will try my best to make virtual First Grade amazing!

We will work hard, and I am excited to start our year together!

### About Me

Hi! My name is Veronica Martin. I have been teaching First Grade at Talmadge for 8 years! First grade is the only grade I have ever taught!

I earned my Bachelors degree in Early Childhood Education at Westfield State University. I earned my Masters Degree in reading from American International College.

At home I have a husband and 3 children. My kids are ages 1, 6, and 12. We love to go for walks together!
